Group #: _____ Name: _____

1. (20 points) Write down your group member's name and contact information (email and phone number). In case you need to know something from the class, now you know who to ask.

2. (40 points) List four learning outcomes that you expect to gain from this class. (When the class is over in about four months, look back on what you write here to see if you have accomplished them!)

3. (40 points) List four possible challenges that might prevent you from obtaining a desirable grade in this class and discuss how you might overcome them.
