The CSULB RIMI Project presents:

Five Years of Progress Towards Achieving Health Equity Through Science, Community, and Collaboration

January 30, 2015
10:00 AM - 12:00 PM

University Student Union Ballroom, CSULB

Please join us and our Building Healthy Communities, Long Beach partners for a stimulating talk by visionary public health leader, Dr. Anthony Iton, entitled, “A 21st Century Public Health Practice Designed to Build Health Equity.”

After the talk, we will celebrate the accomplishments of our RIMI Faculty Fellows and Health Scholars, and recognize our Scientific and Community Advisory Boards for their contributions to the RIMI Project’s success.

Details:
• Continental breakfast and refreshments will be provided
• CSULB Campus parking is available for $5

Anthony Iton, MD, JD, MPH
Senior Vice President of Healthy Communities, The California Endowment
