

**Ingrid Martin** - After six years of leading COB Graduate Business Programs, Ingrid Martin is the Director of the MBA Programs and has returned to faculty fall 2020. When Ingrid started six years ago, as the Director of Graduate Business Programs, there were only 3 versions of the MBA program and now we have 8 graduate programs in total. As Director of Graduate Business Programs, Ingrid undertook several initiatives to develop our alumni relations including launching the MBA advisory board, the annual Alumni Mixer, the bi-monthly Alumni Newsletter and set-up a formal structure for the Graduate Business Student Association that is the foundation to prepare our students to be active alumni. Ingrid will continue to be engaged in the graduate programs as the Director of the MBA Programs, a member of the MBA Advisory Board and will provide all the support needed to keep COB Graduate Business Programs on a positive upward trajectory.
