The Ukleja Center’s Student Leadership Institute is designed to equip students with the transformational power of ethical leadership. Class participants will have an opportunity to explore ethical issues related to business, government, education, healthcare, and other professional fields. The program enables participants to discover their core values and build a strong ethical foundation upon which future decisions can be made. Teamwork, community service, and networking with guest speakers are integral to the two-semester course, which will be held mostly off campus from Fall 2018 through Spring 2019. The class will meet from 4-6:45 p.m. on two Wednesdays per month plus an all-day Saturday retreat in September 2018. **Students must enroll in both CBA 401A (fall semester) and CBA 401B (spring semester) to receive course credits (2 units per semester).**

To apply for the program, please answer the following questions:

1. What will you offer to enhance the program experience for yourself and others?

2. What do you expect to gain from your participation in the program?
