The Ukleja Center’s Student Leadership Institute Class of 2015 at CSULB partnered with Precious Lamb Preschool for a fun-filled day of service for parents and children. With fun and empowerment as the project’s impetus, the class arranged a festive carnival for the children – complete with face-painting and a bounce house. Throughout the day, the students also provided career seminars for the parents to help build their resume-writing and interview skills.

In alignment with the empowerment theme, parents and children expressed their goals and aspirations by making a giant sheep collage that will serve as a reminder to continue pursuing their hopes and dreams. The day closed with a pizza party and an opportunity drawing for gift cards, T-shirts, and tote bags. The families left with a sense of gratitude and smiles on their faces.
About the Ukleja Center for Ethical Leadership

Now in its 10th year, the center offers training to enhance the integration of ethics in everything we do. The Student Leadership Institute is a two-semester course where CSULB students have an opportunity to explore ethical issues related to business, government, education, media, healthcare, and other professional fields. The program enables participants to discover their core values and build a strong ethical foundation upon which future decisions can be made. Teamwork, community service, and networking with guest speakers are integral to the two-semester course. For more information, please visit: http://www.ucel.org.

About Precious Lamb Preschool

Precious Lamb Preschool is breaking the cycle of homelessness, one child at a time. It provides a tangible support system for young children and families suffering from crisis. Through nurture, education, and support, the organization brings restoration, stability, and empowerment into these families' lives. For more information, please visit: http://www.preciouslamb.org.
