Olli Bicycle Club Newsletter

We have 3 rides scheduled for this month of August. We need more volunteers to lead bike rides.

Does any of you want to have a monthly meeting for the group to discuss further rides and exchanging bike ideas? Please email me and let me know what you think.

Also, there have been requests for a listing of members with their email and phone numbers so
that members can connect with each other.
Before I can do this I need to get your approval.
Please let know if you give your consent so that I can create a listing.

UPCOMING BIKE RIDES

Date: August 19, 2016 (Friday)
Leader: Marilyn Austin
Starting Time: 9:30 a.m.
Destination: Long Beach Museum of Arts

The ride will start at the parking lot for West Marine/Schooner Or Later on Marine Drive. Meet on the North side of West Marine. There are toilets available. Schooner Or Later is a great place for breakfast but often very busy. Destination will be the Long Beach Museum of Art, 2300 E Ocean Blvd. Museum opens at 11:00 a.m. Interesting show plus free admission on Fridays. We can decide where to eat after - Shoreline Village area or near by. The ride is approximately 6 miles round trip.

Please email if you plan to attend,

Date: August 24, 2016 (Wednesday)
Leader: Susan Rice
Destination: Bolsa Chica Wetlands
Time: 9:00 a.m.

The ride will start from the OLLI building on campus to the Bolsa Chica Wetlands area. We will leave at 9:00am. The ride is just under 7 miles each way. At the wetlands, we can lock our bikes in the parking area (bring a lock), and then walk the wetlands (about one mile). It would be great to have someone along who can talk knowledgeably about the wetlands. I think it is beautiful, but I know very little about it. We should be back in Long Beach before noon, and those who want to can stop for lunch, either at the Country Bakery, or Wahoo's. - both have nice outdoor eating areas. Then it is only about a mile back to the university.

You can email me at Susan.rice@csulb.edu to let me know if you will be riding, but we will also welcome last minute additions, if you arrive by 9:00am.
