Process for Enrolling in FCS 697

The graduate student must complete the following steps the semester prior to the one in which the student is planning to enroll in FCS 697:

1. Determine if he/she will do either FCS 692 Directed Project (DP) or FCS 698 Thesis.

2. Submit Program of Study to Graduate Coordinator for advancement to candidacy.

3. Identify an idea or concept for the project or thesis.

4. Identify a Chair and two (2) chair-approved members to be on the DP/Thesis Committee. The qualifications of the members are:

   Chair- Tenured/tenure-track faculty in the FCS Department

   Second Member- CSULB faculty with at least a master’s degree

   Third Member- can be from off campus if they have a master’s degree or higher

5. Submit Petition to Enroll in 697 to Graduate Coordinator.
