Camp Nugget Letters of Support

Each summer, the Kinesiology Department is supportive of our program. If you and your child enjoyed the program, I would appreciate if you would write a letter to the Kinesiology Department and let them know. It would certainly help benefit our program in the future. I only ask that you forward a copy of the letter to me. The addresses follow:

- Dr. Tiffanye Vargas, Department Chair, CSU, Long Beach Dept of KIN, 1250 Bellflower Blvd., Long Beach, CA 90840
- Barry Lavay, CSU, Long Beach Dept of KIN, 1250 Bellflower Blvd., Long Beach, CA 90840

In addition, there is also a link to the **Camp Nugget website** where you can make a **donation**.

After School Program September Fall 2019 still have openings ASAPP

If you have any questions about the **Fall 2019 ASAPP** After School Adapted Physical-activity Program a brochure and program information is available online.

If you are interested, be advised that returning children from last year's program are given first priority and a waiting list based on a first come first serve basis will be started. However, we anticipate have openings available. In order to assure a quality program the number of available openings is extremely limited to a student assistant to child ratio of no more than 1:2. Usually there are no more than 12-15 children attending the program. If you have any questions you can contact Dr. Lavay (blavay@csulb.edu) or Dr Bittner Melissa.Bittner@csulb.edu

Have a great rest of the summer: The staff and I have really enjoyed the opportunity to work with your child this summer and we encourage you to keep your child physically active the rest of the summer and during the coming school year. It can be as simple as taking your child to the park, a walk or bike ride. Once again, thank you for allowing us the opportunity to provide physical activity experiences to your child. I hope it has been as positive an experience for your child as it has been for us. Please do not hesitate to call on us in the future. Barry Lavay, Director
