What is Adapted Physical Education?

APE is physical education that has been adapted or modified to give the individual with a disability the skills necessary for a lifetime of rich leisure, recreation, & sport experiences to enhance physical fitness & wellness (APENS, 2008; TWU, 2015).
Adapted Physical Education

APE Teacher = PE teacher + extra classes & knowledge

APE Teacher can teach General PE classes

Physical Educator First

Most importantly, APE includes all of the activities of general physical education

Lavay APE Overview
CSULB APE Mission Statement

Promote school improvement & advocate for all individuals including those with disabilities by providing a quality PETE program

Train APE Teachers to:

- Deliver services in the public schools & community (e.g., direct service, consultation, & advocate)
- Design & implement appropriate instructional programs for individuals with disabilities
- Demonstrate knowledge of the significant role physical activity can play toward the social responsibility of individuals with & without disabilities
- Engage in various life long student learning professional growth opportunities related to APE
ADAPTED PHYSICAL EDUCATION ADDED AUTHORIZATION

LOWER DIVISION:
Take all of the following:

Candidates with a teaching credential other than a Single Subject in PE are required to show subject matter competence (i.e., take a series of prerequisite PE core courses as determined by the APE Coordinator or pass the CSET PE subject matter exam and take a method course. See APE Option road map on website)
- Successful completion of the California Basic Education Skills Test (CBEST).
- An overall GPA 2.75 and a 3.0 in courses in the APE Program.
- Exit Interview & submit a APEAA coursework with APE Coordinator & file with the Single Subject Credential office

Visit the Kinesiology APE website for more program information & to learn more about the APE Program at www.csulb.edu/APE
Spring 2017
Complete the following **27 units** of coursework:

- **KIN 320**  Adapted Physical Education (3)
- **KIN 427/527**  Physical & Motor Assessment (3)
- **KIN 387**  Physical Activity for the Disabled (3)
- **KIN 388**  Program Planning & Instruction in APE (3)
- **KIN 489A**  Fieldwork in APE (6)
- **EDSP 355B**  Collaborative Models of Inclusive Ed (3)

*Please note:* can substitute KIN 537 for KIN 387 & KIN 638 for KIN 388

For candidates who hold a teaching credential

Select two courses from the following with professor permission:

- **KIN 526**  Applied Behavior Analysis in Physical Education (3)
- **EDP 405**  Positive Strategies for Classroom Management (3)
- **EDSP 577**  Instruct Methods & Strategies Mild/Mod Disabilities (3)
- **EDSP 578**  Instruct Methods & Strategies Mod/Severe Disabilities (3)
- **ASLD 101**  Fundamentals of American Sign Language I (3)
- **REC 469/569**  Disability, Culture and Society: Issues and Intervention (3)
APE Teaching Positions Available
CSULB Long Rich Tradition (1960s)

- CSULB has a **100% APE** school placement rate
- Currently the **largest CSU program** awarding APEAA teaching credentials
- CSULB candidates consistently make up **25% to 50%** of the APE credentials awarded in CA
- Certain school districts first seek out our graduates

**Great Demand for APE Teachers**
will continue in the schools due to **State & Federal law**
(Individuals with Disabilities Education Act, IDEA)
Adapted Physical Education Job Placement **100%** & demand growing

Job growth for teachers in CA is projected to increase by **12 percent** by 2016

Major Benefits for Candidates

Receive

- Both PE & APEAA teaching credential
- Practical experiences providing quality instruction to children with various disabilities
- Provide community service

 Marketable: assured a job upon graduation!
Fieldwork Experience

- Variety of both public school & on-campus supervised learning experiences teaching individuals with various disabilities from preschool to adult:

  - Public Schools

  - The After-School Adapted Physical Activity Program (ASAPP)

  - Camp Nugget
Public School Experiences

- A variety of Los Angeles & Orange County school experiences under the supervision of over 50 APE AA Teachers

- Across various settings ranging from special day schools to itinerant delivery service models & preschool to secondary

- The majority of these APE teachers are CSULB graduates

- To learn more about the many CSULB APE graduates go to the APE website alumni page on the csulb.edu/APE website
The After-School Adapted Physical-activity Program (ASAPP)

Click here for link

Children with special needs 5 to 12 years of age, receive individualized & group instruction from university students enrolled in the APEAA Credential Teaching Concentration.
Camp Nugget
Providing Positive Physical Activity
Click here link

- 4 week summer program

- 50 children, ages 5 - 12 years with various disabilities & Jr. counselors

- Small group instruction
  certified teachers university students studying to be APE professionals
APE Teachers Job Role
What Do They Do?

Wear Many Hats: APE Teaching is complex & multifaceted:

- **Assessment:** determining eligibility for placement and programming
- **Direct Service Provider:** teaching physical education content: FMS, HRPF, & Sport following an itinerant model with travel to different schools
- **Consultation & Collaboration:** working effectively with other professionals (OT, PT, Classroom Teacher, families)
- **Advocate:** legislation, support the individual
