February 28, 2011

Dear Applicant,

We no longer offer the 16 month Accelerated BSN program.

Attached are the necessary documents you will need to apply for the Fall 2013 Entry Level BSN/MSN Program. Please pay particular attention to the following admission requirements.

a. You must have a 3.0 or better CUM GPA in your BS/BA degree. That degree must be completed by June 30, 2013.

b. You had to apply to the University (CSUmentor.edu) between October 1 and November 30, 2012 using a graduate application.

   Your major is Nursing Add’l BS, Direct MSN
   Your degree objective is BS

c. You must apply to the School of Nursing from March 1 to April 2, 2013.

d. You may only have one prerequisite course in progress on April 2, 2013.

e. Your science courses may not be over 5 years old (taken after Fall 2008).

f. Psychology 100 and Sociology 100 are no longer prerequisites, but they must be completed before you start the program.

g. You must now take the TEAS assessment test prior to April 2, 2013 and you must achieve a 70% or higher score to be considered for the Entry Level MSN Program.

h. This program is under impaction; therefore, we may only consider and admit California residents.

Further information:

1. The transcript deadline is 30 days after you submit your application. The university will acknowledge receipt of application within seven days of submission. The email will provide you with instructions for transcript submission. The address to submit transcripts is: Enrollment Services-Graduate Admission, CSU Long Beach, 1250 Bellflower Boulevard, Long Beach, CA 90840.

2. You only need to submit one complete set of transcripts to Enrollment Services. DO NOT submit transcripts to the School of Nursing.

3. We do not require letters of recommendations or a statement of purpose. Skip these requests on the CSUmentor.edu application.
