November 8, 2017 at 5-6:30 p.m. in Room Nursing 64

No reservation needed

The Basic BSN program is a 5 semester full-time academic program which will prepare you to take the National Council Licensing Examination (NCLEX) to practice in California and to apply for a State of California Public Health Certificate.

Program Admission Requirements

- Applicants must complete all prerequisites with a B or higher (a grade of B- will not be accepted). To apply to the program you must have a minimum GPA of 3.0 in the Natural Sciences prerequisite courses, and a minimum GPA of 3.0 in the General Education prerequisite courses.
- All transfer students and second degree seekers must meet the university’s requirements for admission or be a CSULB student in good standing with less than 75 units.
- Applicants must take the TEAS Test by the Nursing Application Deadline. Register through ATItesting.com. There is a $70.00 charge for the test. Applicants must score a minimum of 70% to be eligible for admission consideration.
- The CSU Long Beach accepts Cal State Apply applications for both transfer, and second degree. These applicants need to submit their Cal State Apply applications between October 1 and November 30 for Fall admissions and August 1 and 31 for Spring admissions. Undergraduate transfer students must use the undergraduate application form and apply for Nursing: Basic BSN major and second degree students must apply for Nursing: Basic Add'l BS.
- Using the SON supplemental application, all applicants (CSULB students, transfer students and second degree seekers) must apply to the School of Nursing by September 10 for spring admissions and must apply to the School of Nursing by February 10 for fall admissions.
- Undergraduate Transfer students will also need to fill out a CSULB supplemental application when requested by Enrollment Services.
- Cost will be approximately $3600/4000 per semester plus lab expenses. The program will take five semesters to complete.
