Application Process
Application to the MSW program is a TWO-STEP process. First, each applicant must apply online to the University (CSULB). Second, each applicant must submit a separate supplemental MSW application packet directly to the School of Social Work. The following information provides details about the application process.

STEP 1: Application to the University (CSULB) as a Graduate Student
Each applicant must first apply to the University as a graduate student. The “Graduate Admission Application” is available online at CSUMentor (www.csumentor.edu). There is a $55.00 application fee for the University application. Each applicant must have official transcripts from all postsecondary schools sent directly to “CSULB Enrollment Services/Admissions, CSU Long Beach, 1250 Bellflower Blvd., Long Beach, CA 90840.” Refer to the “Transcripts” section for more information.

NOTE TO DISTANCE EDUCATION APPLICANTS ONLY: When applying to the University, applicants to the Distance Education MSW program must choose “Long Beach Campus” as the Campus/Program to which they are applying and must select “Social Work – Distance Learning” as their “Intended Major.”

STEP 2: Application to the School of Social Work MSW Program
The second step in the application process is to apply directly to the School of Social Work MSW program. Once the applicant receives a 9-digit campus identification number from University Enrollment Services (usually 1-2 weeks following application to the University), the applicant must submit a complete supplemental MSW application packet directly to the School of Social Work.

A COMPLETE MSW APPLICATION PACKET must include the following:
- MSW Admission Application form
- Current Résumé
- Personal & Professional Statement
- Three (3) Reference Forms submitted in sealed and signed envelopes
- Elementary Statistics Course Syllabus (if applicable: see instructions)

The following includes a detailed description & instructions for the supplemental MSW application packet materials:

(A) MSW Admission Application form
- This form can be downloaded from our School of Social Work website: http://www.csulb.edu/colleges/chhs/departments/social-work/master-of-social-work/
- The applicant must complete this form in full.
- The applicant must include the 9-digit campus identification number issued by University Enrollment Services on pages 1 and 2 of the application form.
- The applicant must sign (original signature required) & date page 5 of the application.

(B) Current Résumé
- The applicant should include all paid, internship, and volunteer experience in the résumé and list the most recent Social Work or Social Work-related experience first.
- For each position, the applicant must include on the résumé all of the information listed on page 3 of the application.
(C) **Personal & Professional Statement**

- The statement must include the applicant’s responses to the specific questions on page 6 of the application.
- The statement must be typed, double-spaced, 12-pt font, and 4-6 pages in length.
- Advanced Standing applicants must respond to Question #10 in addition to Questions #1-9 in their statement.

(D) **Elementary Course Syllabus**: The applicant must earn a grade of “C” or better in an approved statistics course no later than Spring 2017 [a grade of “C minus (C-)” does not meet this requirement]. The School of Social Work has posted a list of approved statistics courses on the School website at the following link: [http://web.csulb.edu/colleges/chhs/departments/social-work/documents/StatsList2016.pdf](http://web.csulb.edu/colleges/chhs/departments/social-work/documents/StatsList2016.pdf). The applicant must verify that the prerequisite course in elementary statistics s/he completed is included on the list of approved courses. If the course is not included on the approved list, the applicant must submit a copy of the course **syllabus** in the supplemental application packet. The syllabus will be reviewed, and the applicant will be notified via email as to whether or not the course is approved.

  - one reference must be from an academic source (e.g., professor, instructor)

- Applicants should provide references from professors or professionals who are able to comment on the applicant’s qualifications for graduate study in social work.

- A blank Reference Form is included on pages 7-8 of the application. This form is required for each reference; a recommendation letter is optional but may be included with the completed Reference Form.
