Recruitment Number: 2264

Position: Graduate Assistant (Openings in Geological Sciences)

Effective Dates: August 17, 2015 for Fall 2015
January 19, 2016 for Spring 2016

Salary Range: $1112.50.00 to $1274.00 per month, paid in five monthly installments (based on 20 hours per week)

Minimum Qualifications:
- Current enrollment in the M.S. degree program in Geology at CSULB;
- Ability to communicate effectively with an ethnically and culturally diverse campus community.

Duties:
- Curation of department teaching collections; assisting full-time faculty in geology laboratories; field trip driving; proctoring and grading exams; and assisting in computer lab.

Note:
- Graduate students must be enrolled in at least 1 unit (or in GS 700) during each semester employed unless program courses are not available or all course work (except thesis) has been completed. This is university policy.

The Department of Geological Sciences at California State University, Long Beach is committed to building a more diverse faculty, staff and student body as it responds to the changing population and educational needs of California and the nation. We seek applicants and nominations from those who have experience teaching, mentoring, and developing research in ways that effectively address individuals from historically underrepresented backgrounds. California State University, Long Beach is an affirmative action/equal opportunity employer.

Required Documentation: Letter of application, resume, three current letters of recommendation, copy of transcript

Application Deadline:
- July 11, 2015 for FALL 2015
- December 1, 2015 for SPRING 2016
