Recruitment Number: 2259

Position: Graduate Assistant (Openings in Physics and Astronomy)

Effective Dates: August 17, 2015 for Fall 2015
January 19, 2016 for Spring 2016

Salary Range: $1112.50 - $1274.00 per month, paid in five monthly installments (20 hours per week)

Minimum Qualifications:
- BS degree in Physics, Astronomy, or equivalent, and enrollment in the Master’s degree program in Physics at CSULB
- Ability to communicate effectively with an ethnically and culturally diverse campus community

Duties:
- Assist faculty in lectures and laboratories;
- Proctor and grade exams in large lecture classes;
- Assist in computer labs; and
- Assist instructional support technicians in some duties.

Note: Graduate students must be enrolled in at least 1 unit (or in GS 700) during each semester employed unless program courses are not available or all course work (except thesis) has been completed. This is university policy.

The Department of Physics and Astronomy at California State University, Long Beach is committed to building a more diverse faculty, staff and student body as it responds to the changing population and educational needs of California and the nation. We seek applicants and nominations from those who have experience teaching, mentoring, and developing research in ways that effectively address individuals from historically underrepresented backgrounds. California State University, Long Beach is an affirmative action/equal opportunity employer.

Required Documentation: Letter of application, resume, three current letters of recommendation, copy of transcript.

Application Deadline:
- July 15, 2015 for FALL 2015
- December 1, 2015 for SPRING 2016

Required documentation and/or requests for information should be addressed to:
