Recruitment Number: 2257

Position: Teaching Associate (Openings in Physics and Astronomy)

Effective Dates: August 17, 2015 for Fall 2015
January 29, 2016 for Spring 2016

Salary Range: $384.00 to $400.00 per month, per 2-unit course, paid in six monthly installments

Minimum Qualifications:
- BA or BS degree in Physics, Astronomy, or equivalent, and enrollment in the Master’s degree program in Physics at CSULB
- Demonstrated ability or potential to teach
- Ability to communicate effectively with an ethnically and culturally diverse campus community

Duties:
- Teach beginning Physics and Astronomy laboratories

Notes:
- College of Natural Sciences and Mathematics requires graduate students employed as teaching associates to complete the TA training course, SCED 580, during their 1st semester of employment. Any exception requests must be approved by the CNSM Associate Dean for Academic Programs, Evaluation, and Advising.
- Graduate students must be enrolled in at least 1 unit (or in GS 700) during each semester employed unless program courses are not available or all course work (except thesis) has been completed. This is university policy.

The Department of Physics and Astronomy at California State University, Long Beach is committed to building a more diverse faculty, staff, and student body as it responds to the changing population and educational needs of California and the nation. We seek applicants and nominations from those who have experience teaching, mentoring, and developing research in ways that effectively address individuals from historically underrepresented backgrounds. California State University, Long Beach is an affirmative action/equal opportunity employer.

Required Documentation: Letter of application, resume, three current letters of recommendation, copy of transcript

Application Deadline:
- July 15, 2015 for FALL 2015
- December 1, 2015 for SPRING 2016
