Recruitment Number: 2377

Position: Part-Time Lecturer (Openings in Science Education)

Effective Dates: August 17, 2016 for Fall 2016
January 23, 2017 for Spring 2017

SALARY: Commensurate with qualifications and experience

MINIMUM QUALIFICATIONS: Master’s degree in or with an emphasis in Science Education. Successful teaching experience in science/science education at one or more levels pre-K through grade 12. Knowledge of exemplary science teaching practices and applicable science education research. Ability to communicate effectively with an ethnically and culturally diverse campus community.

DESIRED/PREFERRED QUALIFICATIONS: Recent K-12 science teaching experience. Successful experience working with preservice teachers. Successful experience teaching and/or supervising preservice elementary or secondary school teachers in science. Prior experiences with demonstrated excellence in effective teaching.

DUTIES: Teach undergraduate and credential courses on a part-time basis. Primary responsibility includes teaching science education courses in elementary or secondary school teacher preparation. May also become involved in working with student teachers as a university supervisor.

The Department of Geological Sciences at California State University, Long Beach is committed to building a more diverse faculty, staff and student body as it responds to the changing population and educational needs of California and the nation. We seek applicants and nominations from those who have experience teaching, mentoring, and developing research in ways that effectively address individuals from historically underrepresented backgrounds. California State University, Long Beach is an affirmative action/equal opportunity employer.

REQUIRED DOCUMENTATION: Letter of application (including current email address), curriculum vitae, three current letters of recommendation and a copy of transcript from institution awarding highest degree. Finalists will be required to submit a signed SC-1 Form and an official transcript.

Application Deadline: Position open until filled (or recruitment canceled). Review of applications to begin: July 20, 2016 for FALL 2016 and October 31, 2016 for SPRING 2017

Applicant pool will expire on May 31, 2017.

Applications, required documentation and/or requests for information should be addressed to:
