Recruitment Number: 2386

Position: Teaching Associate (Openings in Chemistry and Biochemistry)

Effective Dates: August 17, 2016 (Fall Semester); January 23, 2017 (Spring Semester)

Salary Range: $384.00 to $400.00 per month, per 2WTUs, paid in six monthly installments.

Minimum Qualifications: BA or BS degree in chemistry, biochemistry, or related science and enrollment in the Master’s degree program in Chemistry or Biochemistry at CSULB; demonstrated ability or potential to teach; ability to communicate effectively with an ethnically and culturally diverse campus community.

Duties: Teach chemistry in lower division courses under faculty supervision. Courses may include: CHEM 90, 100, 111A&B, 140, 223A&B, 251.

Notes:
- College of Natural Sciences and Mathematics requires graduate students employed as teaching associates to complete the TA training course, SCED 580, during their 1st semester of employment. Any exception requests must be approved by the CNSM Associate Dean for Academic Programs, Evaluation, and Advising.
- Graduate students must be enrolled in at least 1 unit (or in GS 700) during each semester employed unless program courses are not available or all course work (except thesis) has been completed. This is university policy.

The Department of Chemistry and Biochemistry at California State University, Long Beach is committed to building a more diverse faculty, staff and student body as it responds to the changing population and educational needs of California and the nation. We seek applicants and nominations from those who have experience teaching, mentoring, and developing research in ways that effectively address individuals from historically underrepresented backgrounds. California State University, Long Beach is an affirmative action/equal opportunity employer.

Required Documentation: Completed TA/GA request form, available in the Department Office, HSCI-370 (Submitted by all applicants - new and returning). New TA applicants must also submit a letter of application, resume, and three current letters of recommendation, and official transcript.

Required documentation and/or requests for information should be addressed to:

Dr. Chris Brazier, Department Chair
