Recruitment Number: 2387

Position: Graduate Assistant (Openings in Chemistry and Biochemistry)

Effective Dates: August 22, 2016 (Fall Semester); January 23, 2017 (Spring Semester)

Salary Range: $1,112.50 to $1,274 per month, paid in five monthly installments (20 hours per week).

Minimum Qualifications: BA or BS degree in chemistry, biochemistry, or related science and enrollment in the Master’s degree program in Chemistry or Biochemistry at CSULB; demonstrated ability or potential to teach; ability to communicate effectively with an ethnically and culturally diverse campus community.

Duties: Assist full-time faculty in laboratories, proctor exams in large lecture classes, and assist instructional support technicians. Areas potentially include introductory chemistry, general chemistry, organic chemistry, and biochemistry. Must maintain satisfactory progress toward degree objective to be considered for reappointment (see note below).

NOTE: Graduate students must be enrolled in at least 1 unit (or in GS 700) during each semester employed unless program courses are not available or all course work (except thesis) has been completed. This is university policy.

The Department of Chemistry and Biochemistry at California State University, Long Beach is committed to building a more diverse faculty, staff and student body as it responds to the changing population and educational needs of California and the nation. We seek applicants and nominations from those who have experience teaching, mentoring, and developing research in ways that effectively address individuals from historically underrepresented backgrounds. California State University, Long Beach is an affirmative action/equal opportunity employer.

Required Documentation: Completed TA/GA request form, available in the Department Office, HSCI-370 (Submitted by all applicants - new and returning). New TA applicants must also submit a letter of application, resume, and three current letters of recommendation, and official transcript.

Required documentation and/or requests for information should be addressed to:
Dr. Chris Brazier, Department Chair
