

SUBMIT YOUR FLYER FOR POSTING

College of Engineering

Printed flyers may only be posted in designated areas of College of Engineering buildings as of Spring 2019. If you'd like to promote an upcoming event (or news) with a flyer, please submit this form and printed copies of your flyer to Communications Coordinator Margo McCall in ECS-602. (Slide under door after hours).

Your flyer will be posted on a space-available basis in the glass cabinets in front of ECS and removed once your event is over. If you'd like your event promoted on social media or added to lobby displays, please email an electronic version to margo.mccall@csulb.edu. Call 562.985.4099 for questions.

Note: You may also submit your flyer to COE Department Coordinators for inclusion on department billboards on a space-available basis. Flyers taped to windows, doors, stairwells, and other non-designated areas of COE buildings will be subject to immediate removal.
