INCREASE IN MEMBERSHIP DUES

Effective on January 1, 2003, membership dues for the National Association for Asian and Pacific
American Education will increase for the first time in many years. You may renew your membership at the current
rates (see the back page of the newsletter) until January 1, 2003. Your address label shows the date on which
your membership will expire.

In addition to the increase in dues, the Executive Council has instituted a uniform-renewal policy for all memberships.
Beginning on April 1, 2003, all memberships will expire on a subsequent April 1st. This policy means that, for exam-
ple, any current one-year membership that will expire prior to April 1, 2003, but that is renewed prior to the expiration
date, will not expire again until April 1, 2004. Any one-year membership that will expire between April 1, 2003, and
April 1, 2004, and is renewed prior to the expiration date, would not expire again until April 1, 2005. The policy will
also apply to new memberships. For example, a new one-year membership prior to April 1, 2003, would not expire
until April 1, 2004. A new one-year membership begun between April 1, 2003, and April 1, 2004 would not expire
until April 1, 2005. Thus, new one-year memberships will always be for at least 12 months and sometimes longer. Of
course, two-year memberships (current and new) would extend an additional 12 months beyond the April 1st expira-
tion date for one-year memberships.
