This is a list of courses that will count towards your General Education (GE) requirements if you take them this semester. Use the List of Classes, starting on page LC-1, to choose specific classes from each category.

All students:
Go to Know Your General Education Requirements on page 41 and the category headings in the following lists to find out which courses you need to take.

Freshmen:
You must complete the Foundation requirements within the first 36 baccalaureate units at CSULB (see page 42). These courses are a prerequisite to all GE courses at the 200 or higher level.

You may use either an Explorations course or a Capstone course to meet a category requirement. You may use the same course to meet both a category requirement and the Human Diversity or Global Issues requirement.

Transfer students:
If you are GE certified, you can choose Capstone courses from any category. One of the Capstone courses can be used to meet the Human Diversity requirement (●). If you still need to meet the Global Issues requirement, choose one course designated (●).

(●) Courses that meet the Human Diversity requirement (catalog years 1993-1994 and later)
(▲) Courses that meet the Capstone requirement (catalog years 1999-2000 and later)
(●) Courses that meet the Global Issues requirement (catalog years 1999-2000 and later)

Apply each GE class you take to one category only, even when the course is listed under more than one category.

Note:
UNIV 300I and 301I are approved General Education courses. Specific GE categories were not known at the time of publication. See List of Classes, page LC-85.

REMEMBER . . .
A class will count towards your general education requirement only if it appears in the list of General Education Courses in the Schedule of Classes for the semester in which you take that class.
