Welcome to our third campus concert of the season featuring two award-winning jazz ensembles, the Concert Jazz Orchestra and the Studio Jazz Band. It was a busy fall semester for “Jazz At The Beach”. Our jazz majors and participants have been busy with Jazz Forum events in the BCCM Outdoor Amphitheater, our “Jazz at the Nugget” concert series, and two combo nights, also held at the Nugget - our campus grill and gathering place. In November, our Beau and Jo France Graduate Jazz Studies Scholarship recipient Kim Davis conducted the Jazz Lab Band in a terrific concert. CJO was in the recording studio this past November to start a new CD project that will be completed in May. This ensemble also traveled to San Diego in January to perform at the Jazz Education Network Conference with guest soloists Wayne Bergeron and Bob McChesney. On February 13th CJO performed at the Newport Beach Jazz Party with guest soloist James Morrison from Australia. CJO and PST welcomed the big band and jazz choir from the Northampton School in England for clinics and an exchange concert on February 18th. CJO will travel to Colorado to participate in the University of Northern Colorado Jazz Festival from April 17-19. And finally on April 26th, CJO and SJB will perform their final campus concert with guest composer George Stone.

As always at our final concert of the year, we will award the K-Jazz Educator of the Year and the John Prince Memorial Scholarship Award. We will end the concert season with a performance of the Jazz Lab Band on May 3rd.

Over the years, our jazz ensembles have achieved local, national, and international recognition through appearances at jazz festivals, music education conventions, and command performances. The CJO won 1st place in the college division of the 2007 and the 2009 Next Generation Jazz Festivals, which resulted in invitations to perform at the 50th and 52nd Annual Monterey Jazz Festivals. Both the CJO and SJB have won 1st place awards at the Western States Jazz Festival. Other notable invitations include performances for Jazz At Lincoln Center, Montreux Jazz Festival, North Sea Jazz Festival, Playboy Jazz Festival, Hollywood Bowl, Jazz Education Network, International Association for Jazz Education, California Music Educators Association, Dorothy Chandler Pavilion, Disneyland, Newport Beach Jazz Party, West Coast Jazz Party, and numerous performances at Los Angeles Jazz Institute events. The CJO has recorded two compact discs, the latest of which resulted in their 2014 Downbeat Student Music Award win in the graduate college division. But at the end of the day, our most satisfying activity is to perform for our friends and colleagues right here on campus. We appreciate your spending this time with us and hope you enjoy the music we have prepared for you.
