## Certificate in Legal Studies

This certificate is designed for students who are interested in the study of law as a cultural product and as a field of critical inquiry. It is not a professional program in para-legal education. The certificate may be earned in conjunction with any baccalaureate degree. Courses taken in the program may be used to satisfy major, minor, other credential or general education requirements. No more than 12 units, however, may be in the candidate's major.

The Legal Studies Certificate may be earned concurrently with or following the award of the baccalaureate degree from CSULB or another accredited institution. Please be aware that this program is not eligible for Financial Aid unless pursued concurrently with a degree program.

### Requirements

Twenty-four total units distributed as follows:

1. Three units which must include one of the following: CRJU 350 Constitutional Criminal Procedure; HIST 308 Law and Civilization; HIST 479 US Constitution: Origins & Early Development; PHIL 352 Philosophy of Law; POSC 311 Constitutional Law: Powers; POSC 312 Constitutional Law: Rights.
2. Twenty-one units selected from the Legal Studies Courses listed below. The courses taken in the program must be from a minimum of three departments. The selection of courses is made by the student in consultation with the adviser in the program.
3. Optional Project Paper (3 units which can be included as part of the 21 units required). To be written during the senior year under the supervision of a faculty member participating in the program. The paper can be either an exploratory project (in which a subject is researched in a detailed and original manner) or an analytic effort (where fewer sources are used but the discussion of the material is developed more fully).
