Academic Senate Retreat 2010: Participant Evaluations & Feedback Loop

Lisa Vollendorf, Chair, Academic Senate
November 2010
This retreat was successful in achieving its goal of discussing national trends in higher education and connecting those to our local campus issues.

36% strongly agree.
43% agree.
This retreat was successful in generating short- and long-term ideas about how to improve campus climate, profile, and support.

57% strongly agree.
31% agree.
The table-top exercises provided me with an opportunity to learn more about the campus from the perspective of students, faculty, staff, and administrators at my table.

70% strongly agree.
25% agree.
I feel confident that the outcome of today’s efforts at the retreat will be folded into conversations about how this campus will move forward.

25% strongly agree.
41% agree.
23% neutral.
1. Feedback and ideas to Senate website
2. Feedback by area of responsibility to:
   ◦ Senior campus leadership
   ◦ Campus Climate Committee
3. Tracking of consideration & implementation of ideas throughout rest of year
