

CALIFORNIA STATE UNIVERSITY, LONG BEACH
POLICY STATEMENT

NUMBER: 74-1

UNIFORM FILE

REFERENCE: Campus Regulations

SUBJECT: Smoking

1. Smoking is forbidden in elevators.
2. Smoking is forbidden in classrooms, laboratories, and lecture halls unless there is unanimous consent by all people present that smoking be permitted. Any single objection has the effect of forbidding smoking.
3. When smoking is not permitted in a given area, smokers are permitted a break outside the restricted area of at least 10 minutes at intervals of no more than 90 minutes.
4. Appropriate ash receptacles will be provided outside elevators, classrooms, laboratories, and lecture halls. In classrooms, laboratories and lecture halls when smoking is permitted by unanimous consent, receptacles will be provided by those who smoke.
5. If an infraction of these regulations occurs in a classroom, laboratory, or lecture hall, any aggrieved person may seek prompt redress by consultation with the instructor's department which will work out a mutually accepted solution.

Effective immediately.
