

CALIFORNIA STATE UNIVERSITY, LONG BEACH

POLICY STATEMENT

NUMBER: 78-01

FILE: Credential

SUBJECT: Clinical-Rehabilitative Services Credentials,
Catalog Statement

The following policy statement, recommended by the Academic Senate at its meeting of March 31, 1977, approved by the President on April 14, 1977, and approved by the Commission for Teacher Preparation and Licensing on June 30, 1977, is as follows:

Clinical-Rehabilitative Services Credentials

These credentials authorize service in public schools in California as either a Language, Speech, and Hearing Specialist or as a School Audiologist. Persons seeking this authorization must (1) major in Communicative Disorders, (2) be admitted to the Professional Program in Communicative Disorders, and (3) be admitted to the Graduate Program in Speech Pathology or Audiology.

Competencies for the credential are obtained by completing the following courses:
