SUBJECT: CHANGE IN THE STATEMENT ABOUT MINORS FOR THE
UNDERGRADUATE BULLETIN

The following policy statement, recommended by the Academic Senate at its meeting of May 18, 1978, and approved by the President on May 28, 1978, is as follows:

MINORS, UNDERGRADUATE STUDY BULLETIN STATEMENT

Change page 92 of the 1977-78 Undergraduate Study Bulletin to read:

"5. Minor

A minor is not generally required for the baccalaureate degree, but students may elect to complete one or more minors from those available and have that so noted on the transcript. A minor consists of a minimum of 18 units, as specified by the department or program, at least nine of which must be upper division. The minor may be in a single subject or interdisciplinary. No courses in the major department may be counted toward the minor. Courses outside the major department may count both toward the minor and toward requirements for the major.

"Students should refer to the requirements of the department and school of their major, to see whether a minor is required for that major. Even if a minor is not required, students may elect to complete one or more minors from those available and have that so noted on the transcript."
