POLICY STATEMENT

NUMBER: 79-12

FILE: Courses

SUBJECT: REPETITION OF COURSES (Supersedes PS 78-22)

The following policy statement, recommended by the Academic Senate at its meeting of January 25, 1979, and approved by the President on February 20, 1979, is as follows:

Repetition of Courses

Under the conditions cited in paragraph 2 below a student who has received a grade of D, F, U, or NC in a course taken at CSULB may repeat the course and receive the grade assigned by the instructor under whom the course is repeated. The course may be repeated more than once and, for undergraduate students, the first D, F, U, or NC grade will be omitted from the computation of units attempted and grade points earned. Subsequent repetition of the course will be included in the computation of units attempted and grade points earned, but the extra units taken may not be counted toward graduation. All grades received in repetitions of courses will remain on record.

In exercising this option, students must repeat the course at this campus. The student must also file a formal request at the Records Office for permission to have the grade disregarded for grade point computation before the end of the semester in which the course is repeated. This request must be approved by the chairperson/program director of the department in which the course is offered.

A student who receives a CR or C or better in a course may not repeat the course.
