SUBJECT: CERTIFICATE PROGRAM IN SOLID WASTE MANAGEMENT

The following policy statement, recommended by the Academic Senate at its meeting of November 2, 1978, and approved by the President on November 17, 1978, is as follows:

CERTIFICATE PROGRAM IN SOLID WASTE MANAGEMENT

Director: Willard H. Reed

The 24-unit Solid Waste Management Certificate program is designed to provide the interested student or qualified practitioner with the very latest in education and training in the field management of Solid Waste as well as related resource and energy recovery.

The program will be conducted in cooperation with local engineering consulting firms and government agencies and will require an internship of three units.

The 24-unit certificate program may be taken 1) by a baccalaureate candidate as a part of the undergraduate program, 2) by a graduate as a matriculated student, 3) by a graduate as a nonmatriculated student through the concurrent enrollment process of continuing education.

Regardless of how the program is taken, a grade of C or better must be obtained in all courses applying to the certificate. Courses taken on CR/NCR or audit basis will not apply to the certificate. Graduate students taking courses in this program are reminded that grades received will be included in calculations of the MS requirement.
