

California State University, Long Beach

POLICY STATEMENT 86-11

July 18, 1986

This instructional program was recommended by the Academic Senate in its meeting of May 15, 1986, and received the concurrence of the President on July 18, 1986.

Subject: MASTER OF PUBLIC ADMINISTRATION OPTION IN URBAN AFFAIRS

The purpose of the Option in Urban Affairs within the Master of Public Administration degree is to provide students with particular interests in urban problems and processes the opportunity to expand their knowledge and awareness in the field. In this broadly based interdisciplinary program, students can develop an understanding of the systemic nature of the urban environment and the interrelatedness of many urban problems. The program is designed to provide urban managers with ideas and techniques for dealing with various urban situations.

Admission Requirements

1. An undergraduate degree in Public Administration or a related field which would provide equivalent preparation for graduate study in Public Administration and an interest in urban affairs.
2. Acceptance by C.S.U.L.B. as a post-baccalaureate student.
3. An undergraduate grade point average of 2.75 or better. A student whose overall undergraduate grade point average is less than 2.75 but who presents acceptable evidence of professional potential shown through recent academic performance or experiential background, may be admitted by special action of the Graduate Center for Public Policy and Administration.
4. Approval of the Dean of the Center for Public Policy and Administration.

Requirements for the Master of Public Administration Degree Option in Urban Affairs (code 7-9551).

1. A minimum of 36 semester units in graduate course work with a minimum of 24 units of 500/600 level courses in public policy and administration.
