

Certificate in Italian Language Proficiency

This policy statement was recommended by the Academic Senate on April 6, 2017 and approved by the President on June 6, 2017.

Program Description

The Certificate in Italian Language consists of 12-25 units, of which 9 units must be at the upper-division level. The number of lower-division units will depend upon the amount of Italian studied previously in high school or college, since students with prior study of Italian may enter with advanced standing. In addition to 9 upper-division units, students must pass a written and oral proficiency test.
