FACULTY NIH PROPOSAL DEVELOPMENT WORKSHOP

The CSULB Center for Health Equity Research (CHER) and Office of Sponsored Programs and Research (ORSP) will hold a one-day interactive workshop in January for faculty interested in submitting a research proposal to the National Institutes of Health (NIH). The workshop will be held on Wednesday, January 14, 2015 8:30am – 4:00pm in FOS-Room 116 (ORSP), and will include the following:

• Overview of NIH Funding Mechanisms
• Development of Specific Aims
• Research Plan Outline Development
• Sample Size and Power Calculations
• One-on-One Review of Individual Research Plans

A continental breakfast and lunch will be provided. Please RSVP by January 7, 2015 to Carol Canjura at carol.canjura@csulb.edu or at www.csulb.edu/HealthEquity. Support for the workshop is provided by the CSULB Research Infrastructure in Minority Institutions (RIMI) Project through funding from the National Institute on Minority Health and Health Disparities of the National Institutes of Health under award number P20MD003942.
