ATOD STEP 1-2-3 EDUCATION PLAN

In the event a student is cited for a violation or combination of violations of campus-related alcohol or drug policies, state laws or regulations, the student will be referred to the following:

**STEP 1**

When cited on campus for alcohol and drug violations for the first time, CSULB students are given a mandated appointment to attend and complete the ATOD Step 1 Mandatory Class. The ATOD Step 1 Mandatory Class is a three hour class that discusses responsible decision making, negative consequences of alcohol and drug use, and compliance with campus policy and regulations.

**STEP 2**

When cited on campus for a second policy violation, CSULB students having already attended the ATOD Step 1 Mandatory Class are given a mandated appointment with an experienced alcohol and drug counselor in the ATOD Program. This appointment provides a more detailed examination of the student's behavior and risks associated with alcohol and/or drug use. The ASSIST motivational interview assessment is utilized to identify the student's risk level and appropriate resources.

**STEP 3**

When cited on campus for a third alcohol and drug violation, CSULB students are referred to the Office of Judicial Affairs where appropriate action will be executed.

**Other sanctions may also be applied depending on the circumstance of the alcohol and/or drug violation.**
