

Student-Centered Organizational Research Experience (SCORE) Student Application

Program Description

The Student-Centered Organizational Research Experience (SCORE) is a pilot partnership between the Division of Student Affairs and the Office of Undergraduate Research Services. The pilot program will be an 8 week program with student leaders working full time as a research assistant. Partnering with faculty, student leaders will actively conduct and engage in research throughout their summer research experience. To cumulate their experience, students will have the opportunity to present their research to the Divisions of Student Affairs and Academic Affairs.

Compensation

SCORE Research Assistants will work full time (40 per week) at \$13.50 an hour during their summer research experience. Due to the demands of the 8 week SCORE program, research assistants are not permitted to have other employment during their SCORE program.
