Subject: Category V Fee Request: Summer Session and May Intersession 2017

The College of Continuing & Professional Education (CCPE) continues to offer Summer Session and May Intersession to help current CSULB students achieve their academic goals. These self-support offerings provide additional teaching opportunities to faculty and cost recovery and revenue sharing with Academic Affairs and the colleges that participate in these sessions.

CCPE's strives to make Summer Sessions and May Intersession affordable for students as well as maintaining a fully self-support model. A moderate fee adjustment, the first in 3 years, is needed to meet rising costs. The College recommends a 2017 undergraduate fee of \$307 per unit; graduate fee of \$376 per unit; teacher credential fee of \$354 per unit.

Attached is the financial statement for this program and the standard campus fee form. If you need additional information, please contact me at (562) 985-8330 or John Lyons, Assoc. Dean at (562) 985-4855.

Thank you.
