1. Welcome

Mary Ann convened the meeting at 9:05am.

2. Approval of Agenda and Minutes

Minutes of Meeting held December 7, 2018

Tracey motioned to accept. Jesse seconded. All in favor. Agenda and minutes accepted.

3. Associated Students, Incorporated: Student Body Center Fee

Sylvana Cicero

Sylvana discussed the increase in fees and provided detailed handouts. Also mentioned that this was something that was voted on and passed by students in 2007, when building SWRC. The increase equals to \$18 for Fall and Spring and \$13 for Summer. Mary Ann reiterated to the committee that this was purely informational.

4. College of Education: Liberal Studies Waiver Evaluation

Jessica Pandya

Jessica explained the Liberal Studies major and mentioned students know about the waiver. Evaluating our own students' transcripts for credentialing is fine, but other students are asking for the service, so we'd like to charge \$50, which can be used to fund student events, commencement, etc. It was asked if advisors were able to take on the additional workload. Jessica explained that advisors are asking for it and it's not that many students. If at some point, it becomes too heavy, the work will be scaled back. The department will work on a preliminary screening process followed by working with John Fugatt for online payment structure. This item was also informational.

5. Adjournment

Mary Ann thanked everyone for coming and adjourned at 9:30am.
