CSULB STUDENT HEALTH SERVICES PRESENTS

ARRIVE ALIVE TOUR

The Arrive Alive Tour uses a high-tech simulator, impact video, and a number of other resources to educate about the dangers of impaired and distracted driving. The simulator allows participants to experience, in a controlled environment, the potential consequences of impaired and distracted driving.

- HIGH TECH SIMULATORS
- LED MONITORS
- VIRTUAL REALITY

TUESDAY, FEBRUARY 18, 2020
9AM-3PM
BEACH CIRCLE
(located by the College of Business & Track Field)
