Time magazine ranked CSULB among the top 10 best value colleges and universities in the nation based on the Obama administration’s criteria for assessing schools (not official).

CSULB was designated one of the nation’s top 75 “Best Value” public universities and “Best in the West” by The Princeton Review’s “2016 Best Colleges: Region by Region” for its commitment to high-quality education at an affordable cost.

Cal State Long Beach has been ranked fifth best public regional university in the west by U.S. News & World Report: America’s Best Colleges 2016.

CSULB ranks 12th nationally in awarding bachelor’s degrees to minority students on Diverse Issues in Higher Education’s annual list of “Top 100 Degree Producers” and eighth in campus ethnic diversity among undergraduate institutions in the west by U.S. News & World Report.

A CSULB College of Liberal Arts 2011 alum recently received the Rhodes Scholarship, the world’s most prestigious student international scholarship program.

For the sixth consecutive year, G.I. Jobs 2015 recognized CSULB as a Military Friendly School for its efforts in embracing America’s veterans as students.

CSULB was one of nine universities in the U.S. and Latin America awarded an innovation grant for study abroad and exchange programs under Obama’s “100,000 Strong in the Americas” initiative.

Washington Monthly ranked CSULB 10th on its 2014 “America’s Best-Bang-for-the-Buck Colleges” list based on the economic value students receive per dollar.

The Long Beach College Promise, an educational partnership between the Long Beach Unified School District, Long Beach City College and CSULB, guarantees admission for CSULB-eligible students from these schools who complete college preparatory and transfer requirements.
CSULB’s School of Art is the nation’s largest, publicly-funded art department and first in the western U.S. to receive accreditation from the National Association of Schools of Art and Design.

CSULB’s College of Business Administration is one of only 5% of schools worldwide accredited by the Association of Collegiate Schools of Business International and was named an Outstanding Business School in The Princeton Review’s 2015 “Best 296 Business Schools” guidebook.

The College of Education is nationally recognized for its K–18 collaboration with the Long Beach Seamless Education Partnership, and offers an Integrated Teacher Education Program (ITEP) that allows students to earn both an undergraduate degree and a multiple subject teaching credential in four years.

The CSULB undergraduate engineering program was ranked among the best in the nation in a recent edition of U.S. News & World Report’s “America’s Best Colleges Guide.”

CSULB’s School of Nursing has state-of-the-art technology, partnerships with local hospitals and an average 95% pass rate on the National Council Licensure Exam since 2010.

The College of Liberal Arts, the largest college on campus, offers 67 majors and minors, 22 departments and programs, innovative centers and over 300 dedicated faculty.

CSULB’s Hall of Science, a $105 million state-of-the-art facility, promotes undergraduate research and education. The College of Natural Sciences and Mathematics has been ranked first in the country for producing physics master’s graduates by the American Institute of Physics and recognized for its preeminent marine biology program.

The College of Continuing & Professional Education serves California’s workforce and economy by offering a diverse range of degrees, professional development certificates, and international education programs in many disciplines.

CSULB’s Division I athletic teams again surpassed the NCAA’s Academic Progress Rate (APR) minimum score. The university is one of the only schools in the CSU system to exceed the minimum score for nine consecutive years.
Kiplinger's Personal Finance magazine ranked CSULB 11th top affordable university in the nation for providing excellent academics while keeping costs at a minimum.

CSULB fees rank among the lowest of any public institution in the nation. According to U.S. News & World Report, CSULB recently ranked second in the west for having the lowest percentage of students graduating with debt.

U.S. News & World Report ranked CSULB in the top five colleges in the nation for receiving the most freshmen applications out of over 1,200 schools evaluated.

The National Institutes of Health recently awarded CSULB a five-year, $22.7 million grant to establish an innovative research program that will prepare underrepresented students for doctoral programs in the sciences.

CSULB was listed on the 2014 President’s Higher Education Community Service Honor Roll, recognizing institutions of higher learning for improving their local communities through service.

CSULB’s Student Recreation & Wellness Center is a state-of-the-art facility that contains a three-court gym, indoor track, rock climbing wall, and swimming pool, as well as fitness rooms and other healthy living resources.

Long Beach State had eight former student-athletes representing the U.S. and other nations at the 2012 London Olympics. CSULB has had at least one representative in every Summer Olympic Games since the founding of the university in 1949.

CSULB received the overall Sustainable Design award for its Liberal Arts 234 Buildings Renovation Project during the 2015 California Higher Education Sustainability Conference.

CSULB’s new Accessible Instructional Materials (AIM) Center provides instructional materials for faculty and staff in an accessible format to assist students with disabilities.

CSULB was one of two universities recognized by the American Association of State Colleges and Universities for student success and college completion. CSULB was also among eight universities to receive the association’s Excellence and Innovation Award.
