CSULB HIGHLIGHTS

Located three miles from the ocean, CSULB is a university of choice destination where talented and diverse students, including over 1,100 California high school valedictorians and National Scholars, have come to experience a campus environment that is student-centered, service-oriented and globally-engaged.

CSULB’s core academic purpose is “to graduate students with highly valued degrees.” CSULB provides an exceptional student experience through nationally-recognized academic programs and personalized support services. An emphasis on research, student success and creative activity provides students the opportunity to work with dedicated and award-winning faculty mentors.

*Based on Fall 2014 data
UNIVERSITY DISTINCTIONS

- Dr. Jane Close Conoley is CSULB’s seventh president in the campus’s history. As a renowned scholar and educator, President Conoley’s focus is on quality education, affordability and student success.

- *Time* magazine ranked CSULB among the top 10 best value colleges and universities in the nation based on the Obama administration’s criteria for assessing schools.

- CSULB was designated one of the nation’s top 75 “Best Value” public universities and “Best in the West” by The Princeton Review’s “2014 Best Colleges: Region by Region” for its commitment to high-quality education at an affordable cost.

- CSULB ranks 12th nationally in awarding bachelor’s degrees to minority students by *Diverse Issues in Higher Education* in its annual list of the “Top 100 Degree Producers” and ninth in student body diversity among undergraduate institutions in the west by *U.S. News & World Report*.

- The National Institutes of Health recently awarded CSULB a five-year, $22.7 million grant to establish an innovative research program that will prepare underrepresented students for doctoral programs in the sciences.

- A CSULB College of Liberal Arts 2011 alum recently received a Rhodes Scholarship, the world’s most prestigious student international scholarship program.

- CSULB fees rank among the lowest of any public institution in the nation. According to *U.S. News & World Report*, CSULB recently ranked second in the west for having the lowest percentage of students graduating with debt.

- For the sixth consecutive year, *G.I. Jobs 2015* recognized CSULB as a Military Friendly School for its efforts in embracing America’s veterans as students.

- *Washington Monthly* ranked CSULB 10th on its 2014 “America’s Best-Bang-for-the-Buck Colleges” list based on the economic value students receive per dollar.

- CSULB’s School of Art is the nation’s largest, publicly-funded art department, and the first in the western U.S. to receive accreditation from the National Association of Schools of Art and Design.

- CSULB’s College of Business Administration was named an Outstanding Business School in the Princeton Review’s 2015 “Best 296 Business Schools” guidebook.

- The College of Education is nationally recognized for its K–18 collaboration with the Long Beach Seamless Education Partnership, and offers an Integrated Teacher Education Program (ITEP) that allows students to earn both an undergraduate degree and a multiple subject teaching credential in four years.

- The CSULB’s undergraduate engineering program was ranked among the best in the nation in a recent edition of *U.S. News & World Report’s “America’s Best Colleges Guide.”*

- CSULB’s School of Nursing has state-of-the-art technology, partnerships with local hospitals and an average 95% pass rate on the National Council Licensure Exam since 2010.

- The College of Liberal Arts, the largest college on campus, offers 67 majors and minors, 22 departments and programs, innovative centers and over 300 dedicated faculty.

- CSULB’s Hall of Science, a $105 million state-of-the-art facility, promotes undergraduate research and education. The College of Natural Sciences & Mathematics has been ranked first in the country for producing physics master’s graduates by the American Institute of Physics and recognized for its preeminent marine biology program.

- CSULB recently opened a Dream Success Center to provide undocumented and AB540 students with a dedicated place for support and services.
STUDENT SUPPORT SERVICES

A university-wide emphasis on students’ first year experience at CSULB helps them get acquainted with the campus and prepare for academic success. Support services such as academic advising, career counseling, disabilities accommodation, educational equity services, new student orientation, low-cost health care, and state-of-the-art facilities help meet students’ needs at The Beach.

The goals of these services and programs are to increase student retention, shorten the path to graduation and help students build well-rounded, successful college careers.

HOUSING

Living on-campus is convenient and full of opportunities to meet people, make friends and have fun. In addition to state-of-the-art dining facilities, students have access to two popular coffeehouses with late-night food service. Other benefits include free cable TV and high-speed Internet access. At the Beachside, Hillside, and Parkside Colleges, students and faculty, together, experience a unique living-learning environment that offers the intimacy of a small residential college, with the opportunities of a large university.
CAMPUS LIFE
With more than 325 clubs and organizations, as well as a thriving student government, CSULB offers a wide variety of recreational, social, cultural and exciting leadership opportunities. These include intramural and club sports, along with fitness classes. The Student Recreation & Wellness Center (SRWC) is a 125,000 square foot, state-of-the-art facility with fitness programs, rock climbing walls, as well as basketball, volleyball and badminton courts. The SRWC serves as a place for students to exercise, study and socialize.

SPORTS
Long Beach State Athletics sponsors a complete intercollegiate program for women and men. CSULB offers 17 varsity sports at the NCAA Division I level. For more information, visit www.longbeachstate.com.
