STUDENT SUPPORT SERVICES

CSULB takes care of its students, whether they need tutoring, counseling or health services.

- The College of Liberal Arts Language Lab, the Writing Center, and the Lindgren Math Tutoring Center all offer free tutoring and instruction.
- The Student Emergency Intervention & Wellness Program serves displaced students, food insecure students and students experiencing an emergency situation or crisis.
- The Dream Success Center provides undocumented students access to resources such as workshops, trainings, enrollment assistance, and social and cultural events.
- The office of Disabled Student Services is a student support program that assists students with disabilities as they secure their degrees.

CAMPUS LIFE

Outside of the classroom, CSULB offers a variety of experiences on campus for students to take part in.

- Week of Welcome is a bi-annual event where hundreds of student organizations, clubs and departments are showcased.
- Smorgasport is an annual celebration for new and returning students featuring food trucks, live music, rides and games.
- The Student Recreation & Wellness Center (SRWC) is a 126,500 square-foot, state-of-the-art facility that is a hub for recreational activities, programs, and opportunities for intramural sports, fitness, and healthy living services.
Living on campus is convenient and provides opportunities to make friends and participate in campus activities.

Housing & Residential Life offers general housing and three distinct communities – Living-Learning, Thematic Learning and Academic Houses. Additional amenities include:

- Additional resources of support
- State-of-the-art residential dining facilities and on-site coffee shops
- Free cable TV and high-speed internet access

- The Office of Multicultural Affairs implements educational, cultural and social learning environments that strive to enrich diverse views of students from various backgrounds, cultures and beliefs.
- Students have access to affordable quality health services and education programs through Student Health Services.
- The Career Development Center guides students through the process of educational, career and personal discovery in preparing them for success in the global workforce.

The campus has the largest solar power system in the CSU system and is committed to reaching a goal of climate neutrality by 2030.

Our Sustainable Transportation Program promotes alternative methods of transportation that includes campus shuttles, buses, carpooling and bikes.

Numerous water conservation projects including transitioning landscape areas to drought tolerant plantings and drip irrigation have been implemented on campus.

Eligibility Index

High School GPA x 800 + SAT EBRW + SAT Math = CSU Eligibility index

High School GPA x 600 + SAT EBRW + 2 x SAT Math = CSULB STEM Eligibility index

Applicants will be admitted based on the calculated CSULB Eligibility Index. Graduates of CA high schools and other CA resident applicants must have a minimum eligibility index of 3200 using the SAT. Non-CA resident applicants must have a minimum eligibility index of 3570 using the SAT. Nursing and STEM major applicants will be admitted based on both a minimum calculated STEM Index of 3300 and a CSULB Eligibility Index of 3200. For applicants that take the ACT assessment, the ACT composite will be converted to an SAT total replacing both the Critical Reading and Math scores for this calculation. For applicants that take both the SAT and the ACT, the higher resulting index will be used in the admission process.
