SELF GUIDED WALKING TOUR
Located three miles from the ocean, CSULB is an idyllic university destination where talented and diverse students come to experience a campus environment that is student-centered, service-oriented and globally engaged. This brochure is designed to help you get acquainted with our campus. University Outreach & School Relations (UOSR) hopes that by the end of the tour, you will choose to attend CSULB. Go Beach!

1. Brotman Hall
   
   Brotman Hall is the administrative center of the university. Students can find information on admissions and financial aid as well as career and counseling assistance. Visit UOSR for prospective student information.

2. University Student Union
   
   The USU offers dining options, event and recreational facilities such as bowling, swimming and video games as well as free movies and live music. The building also has study areas and meeting spaces for clubs and organizations.

3. University Bookstore
   
   The bookstore is a one-stop shop for students who want to purchase clothing, gifts and textbooks. Inside is a computer store known as Beach Tech. There is also a copy center and a LBS Financial branch.

4. University Library
   
   Students have access to more than one million periodicals and books, an online catalog, and digital research databases and resources. The facility houses the Library Tech Hub, Spidell Technology Center and a Starbucks. The Graduate Resource Center and University Honors Program are located here.

5. Student Success Center
   
   The SSC houses services such as: Bob Murphy Access Center, Education Opportunity Program, Learning Assistance Center, University Center for Undergraduate Advising and Women’s Gender & Equity Center. CSULB is a partner college with TheDream.US and has a Dream Success Center for students who may need assistance.

6. Science Complex
   
   The Molecular & Life Sciences Center won awards for its architecture and houses the biochemistry, biological sciences and chemistry departments. The Hall of Science has greenhouses, a Shark Lab and 22 research facilities.
The Horn Center

The Horn Center operates the largest open-access computer lab in the CSU system. The facility also houses the Technology Help Desk and accredited art museum.

Kleefeld Contemporary Art Museum

This first accredited art museum in the CSU system is renowned for its groundbreaking exhibitions, award-winning publications and extensive collections of contemporary art.

Carpenter Performing Arts Center

This visually stunning performance venue offers a variety of performances in dance, film, music, theatre and more. The CPAC is part of the College of the Arts and provides students with opportunities to engage with professionals that perform here.

The Walter Pyramid

The Walter Pyramid is CSULB’s 18-story event center and home to our Division I basketball and volleyball teams. Students show their Beach Pride here.

Earl Burns Miller Japanese Garden

The garden is inspired by the beauty of Japanese landscapes. The garden, koi pond and traditional teahouse are open to students and the public.

University Housing & Residential Life

Living on campus is convenient and fun. Housing options include traditional and suite style halls as well as themed and academic communities. Dining facilities, a coffeehouse, a convenience store, free cable and high-speed internet are available.
Check out daf.csulb.edu/maps for the accessible travel map.
CSULB Colleges

CSULB’s eight colleges house a wide range of majors and programs. We encourage you to visit or contact your college of choice to receive major-specific information.
