Begin the installation process by double clicking on the icon for the application called "Setup"
Click on the button labeled "Next"
Click on the radio button labeled "I accept the terms of the license agreement" and then click on the button labeled "Next"
If the radio button labeled "Complete" is not selected, click on the radio button labeled "Complete" and then click on the button labeled "Next."
If the radio button labeled "Unmanaged" is not selected, click on the radio button labeled "Unmanaged" and then click on the button labeled "Next."
Check to make sure the two check boxes labeled "Auto-Protect" and "Run LiveUpdate" are checked. If they are not checked, put a check in any of the boxes that are not checked by clicking once on the appropriate box.
Click on the button labeled "Install" and the installation will begin.
