Penny Colman: Showcasing the Invisible

International Reading Association Annual Convention
San Francisco, CA 2002
Tuesday, April 30 (9:00 - 11:45 am session)

by Kaye West-Anderson, Ph.D.
California State University, Long Beach
kanders@csulb.edu http://www.csulb.edu/~kanders

We are extremely grateful to Scholastic Press for sponsoring Penny Colman’s visit at the IRA Literacy and Social Responsibility session this year!

From the work, one knows the worker. Penny’s work reveals that she is an advocate for women and for justice, an adventurer, an historian, and an educator attempting to set the record straight regarding the extremely valuable but often overlooked contributions of the “fairer sex,” the “51% minority.”

Books for All Ages by Penny Colman

This book tells about those brave women journalists in World War II who risked their lives on the front lines so others on the home front would have personal glimpses of what was happening.

Traces the history of the U.S. through the stories of many of the individuals from the earliest inhabitants to modern day. Many anecdotes are excerpts of journals, household slave narratives, and other primary sources. Includes bibliographic references and index.
Documents the burial process throughout the centuries in different cultures.

Chronicles the experiences of women in the U.S. during World War II who left the home to take on jobs previously filled by men. Includes bibliographic references and index.

Historical chronicle of American laborers struggling to better working conditions.

From ancient days through space exploration and in various cultural settings, people have had to figure out how to deal with human waste; this book tells the tale. Includes bibliographical references and index.

Though born in poverty on a Louisiana plantation, this woman forged a thriving business in hair care and made more money than ANY woman had ever made before at this time in the history of America. A Gateway Biography.

Though in her day it was a common practice to exploit child labor, Mother Jones took a stand against the practice.

 Presents a concise history of women in the United States.

This civil rights activist devoted her life to helping black people gain a national political voice by devoting her life to helping them register to vote.

A biography of FDR’s Secretary of Labor, the first woman Cabinet member and a pioneer in Labor reform who established unemployment insurance, minimum wages, maximum hours, safety regulations, and social security.

 Presents the lives of courageous women who served as spies for the North and South during the Civil War, including “The Siren of the Shenandoah,” “Crazy Bet,” and Harriet Tubman.

Recounts Dix’s lifelong fight to improve the lives of others, including her own family, the mentally ill, prisoners, the physically ill, and the retarded.
