**BARGAINING REPORT**

Alex Soluk, Labor Relations Representative reported:

I attended negotiations this week on Monday and Tuesday and I will be going to the Chancellor’s Office for negotiations later today. We have reached several tentative agreements. It has been a slow but steady process. The CSU finally gave us a proposal package, and things should go quicker now. Before it was piecemeal, now we are going in the right direction. Our negotiating team are knowledgeable and doing an excellent job. The chief and assistant negotiators are senior labor relations representatives and are doing a great job. Once we have completed negotiations you will vote on the contract.

President O’Neil-Rosales reported:

The CSU is proposing a parking increase and no wage increases and the parking increase is a pay cut. They want premium parking for the privileged which will probably be a staff lot. They are trying to do the same with faculty and CFA is also fighting this back.

Attendees viewed the video of Joe Doblinski’s speech at the Board of Trustees Meeting.

Everyone was invited to attend the meeting and members did not come, it’s sad. You really need to come to the meetings.
