The “49er Camp” instructional staff is comprised of teachers, physical educators, coaches, college undergraduate and graduate students in the fields of education, athletics and recreation from California State University, Long Beach and other major universities. Our staff also includes teaching assistants, who will team teach a variety of activities.

In addition, we have swimming specialists to supplement our swim instruction, which allows us to keep a proper instructor to camper ratio.

As a parent, you will have the opportunity to meet with your child’s camp instructor for a conference at the conclusion of each session. You will receive an evaluation of your child’s physical and social development within the context of the camp, as well as fitness and swimming scores.
