9. Institutional Stipulation Statement

- California State University, Long Beach is using the review process to demonstrate our fulfillment of the two Core Commitments (Institutional Capacity and Educational Effectiveness); we will engage in the process with seriousness, and we will present data that are both accurate and representative of the institution.

- California State University, Long Beach has published and publically available policies in force as stipulated in Appendix I of the *Handbook of Accreditation*. These policies are currently available for review and will remain so throughout the period of Accreditation.

- California State University, Long Beach will abide by procedures adopted by the Commission to meet United States Department of Education (USDE) procedural requirements as stipulated in Section VI of the *Handbook of Accreditation*.

- California State University, Long Beach will submit all required data, and any data specifically requested by the Commission during the period of Accreditation.

- California State University, Long Beach has reviewed our off-campus programs and degree requirements offered by distance learning to ensure that they have been approved by the WASC substantive change process.
