Appendix P: GWAR Course Evaluation, Spring 2009

Please provide a brief answer for each of the following concerning your experiences in your current GWAR course. Use the back of this sheet, if necessary. Your responses are completely confidential, and will enable us to evaluate and improve our GWAR courses for students. Thanks for your feedback!

1. Consider the activities and assignments you’ve done in your GWAR course this semester. Which did you feel were most useful in helping you improve your writing? Please explain your choices.

2. What other activities or assignments do you wish you’d been able to do as part of your GWAR course this semester? Please explain why these might have been beneficial for you.

3. How does taking a GWAR course compare to taking the WPE? Which do you prefer, and why?

4. To what extent will what you’ve learned in the GWAR course help you in the future? Please explain.

5. What do you think of the portfolio process?

6. In what ways are you satisfied or dissatisfied with your GWAR course? Please give specific examples.
