Summer Undergraduate Research Opportunities in Physics

Summer Research

- This grant funded by the Air Force Office of Scientific Research pays undergraduates to engage in a physics research project during the summer.
- Students conduct 8 weeks of directed summer research with a faculty mentor at CSULB during the Summer 2002, beginning June 3 through July 26.
- Students will earn $8.50/hr. for summer research, working 40 hrs./week.
- Mentoring and career advising activities are available.

Qualifications

- Overall GPA of 2.5 with a major in Physics preferred.

Contact Information

- Chuhee Kwon, Assistant Professor in Physics, Department of Physics and Astronomy, California State University, Long Beach, phone (562) 985-4855.

Deadline:
Completed application, with transcript and two (2) confidential faculty recommendations, must be received by either contact person on or before April 2, 2002.
