ALEKS Student Registration Instructions Handout

Before you begin, you will need:

- A 10-Digit Course Code provided by your instructor.

**Step 1:** Go to the ALEKS website for Higher Education Math by typing in the following address: [http://www.aleks.com](http://www.aleks.com) on your web browser.

**Step 2:** Click on “SIGN UP NOW!”

**Step 3:** Enter your 10-digit “Course Code” AND click “Continue.”

**Step 4:** Confirm Course Information AND Click “Continue.”

**Step 5:** Enter your 20-digit Access Code — Packaged with your textbook or purchased by clicking on the link above the four access code boxes AND “Continue.”

*Students who don’t buy a bundle do not need to have the access code before starting; they can purchase it online during registration.*

If you have a 10-character access code, enter it below. You will find it on the inside of the back cover of your ALEKS User’s Guide.

If you do not have an access code, you can purchase an access code online. If you have already purchased an access code online, you can find the code on the receipt that was e-mailed to you.
To Access ALEKS again, Go to www.aleks.com and enter your ALEKS login name and password in the “Registered Users” area and click on “LOGIN.”

My Username: __________________

My Password: __________________

That’s it; you have now completed your ALEKS Registration and have downloaded the ALEKS Plug-in. You will now be in your ALEKS student account and will begin with the ALEKS Answer Editor Tutorial. Next, you will take a course assessment, receive your ALEKS Pie Chart, and enter the ALEKS Learning Mode. Remember you only REGISTER in ALEKS once. To enter ALEKS, you simply LOG-IN with your personal login name and password.

If you need technical support, please contact ALEKS Customer Support at http://support.aleks.com.
