To the extent that an agent of this organization has been successful on the merits in defense of any proceeding referred to in Section 2 or 3 of this article, or in defense of any claim, issue, or matter therein, the agent shall be indemnified against expenses actually and reasonable incurred by the agent in connection therewith.

Section 8. **LIMITATIONS.** No indemnification or advance shall be made under this article, except as provided in Section 4 or Section 5, in any circumstances where it appears:

(a) That the indemnification or advance would be inconsistent with a provision of the articles of incorporation, a resolution of the members, or an agreement in effect at the time of accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification, or

(b) That the indemnification would be inconsistent with any condition expressly imposed by a court in approving a settlement.

Section 9. **INSURANCE.** Upon and in the event of determination by the executive board to purchase such insurance, this organization shall purchase and maintain insurance on behalf of any agent of the organization against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status of such, whether or not this organizations would have the power to indemnify the agent against that liability under the provision of this section.
